The season of Epiphany, beginning with the showing of the star and the arrival of the magi which is celebrated on January 6, is a season of showing forth the light of Christ. During this season we will be focusing on the word "called." The dictionary defines this as the past tense of calling out words or to summon someone. We are both the called and the callers: we are called by name, called to something, called out, called in daily life and called to newness.
