

A Financial Covenant

The earth is the Lord's and all that is in it... (Psalm 24:1)

Following Christ is an intentional journey in faith; the stewardship of time, talent, and resources is one aspect of this journey. As we continue to challenge ourselves in our relationship with Christ, as we respond to God's gifts, and as we partner with God's work in the world, I/we,

_____, covenant with God to invest \$_____ per
week/month/year to the proclamation of God's Kingdom through Celebration Lutheran Church.

This covenant is effective as of _____ (date).

I/We understand that this covenant will remain until I/we change it in writing. All donations to the general fund or approved designated funds are tax deductible. I/We understand that on a semi-annual basis, Celebration will help me/us track my/our total benevolent giving and send me/us a "Statement of Giving."
